

OUTDOOR

CAT5e FTP-JF-HDPE

Technical Specifications:

Conductor Diameter: 24 AWG

Frequency: 100 MHz

Structure Type: FTP

Jacket Design: Single Jacket

Cable Jacket: HDPE

Packing Type: Reels

Package Dimensions: 305/500 m

Applications:

Outdoor and industrial environment (UV-resistant)

Computer network infrastructure

VoIP infrastructure

CCTV network infrastructure

Tower network infrastructure

Product Advantgae:

Fluke test passed

noise immunity water-resistant cost-effective
