

# INDOOR

## CAT6A UTP-LSZH

### Technical Specifications:

Conductor Diameter: 23 AWG  
Frequency: 500 MHz  
Structure Type: UTP  
Jacket Design: Single Jacket  
Cable Jacket: LSZH  
Packing Type: Cardboard box  
Package Dimensions: 305 m

### Applications:

Indoor environments  
Computer network infrastructure  
CCTV network infrastructure  
Data center infrastructure

### Product Advantgae:

Fluke test passed/High flexibilty/ Increasing bandwidth  
Flame retardant (halogen-free)
